

SOLO13 EXT

MIFARE FURNITURE LOCK WITH EXTERNAL ANTENNA

The SOLO 13 ext. antenna is a furniture lock with MIFARE technology and a remote antenna. This is used on doors, drawers and sliding doors and attached to the inside of the respective door or panel.

The remote antenna is milled in and enables the use of the Mifare locks even with thick fronts or weak RFID keys.

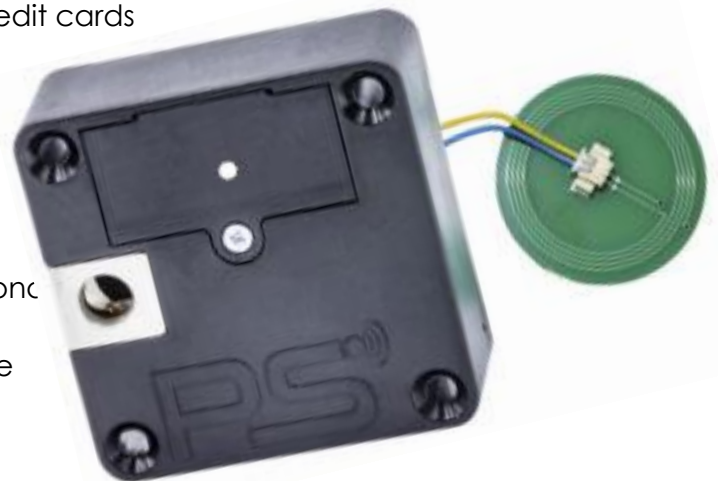

Not visible from the outside, the SOLO lock is then operated with key cards, key rings or bracelets.

RFID 13,56 MHz (Mifare ISO 14443A)

- up to 20 mm with RFID key cards
